## patient sign-in label forms

Confidentially sign in your patients with **patient sign-in label forms**. Forms limit access to personal information as required by HIPAA compliance regulations. Patients sign in on next available removable numbered label strip. Patient then takes the numbered label and waits to be called by name or number. Office staff removes numbered label strip with patient name and adheres it to patient chart to help improve recordkeeping. Once label strips have been removed, the patient information is now protected behind special backing paper. The Sign-In form also provides a confidential daily patient log.

## laser/inkjet label sheets

Multi-use **laser/inkjet label sheets** are useful for mailings, announcements, getting organized, tracking or recalling documents and more. Permanent labels are easy to apply for convenient, personalized labels anytime. Sheets are shrink-wrapped in packages and are fully compatible with both laser and inkjet printers. Labels feed automatically from paper tray and are centered on sheets so they can be fed using either the top or bottom as the lead edge. *See your printer manual for additional feeding instructions.*

## self-adhesive divider sheets

**CUSTOM INDEXING**  
See Page 6

Quickly convert your standard folders to classification folders. Just fold on the score line to create a flap, then remove protective strip and apply to folder—it's that easy! Sturdy **divider sheets** are 11 pt. manila stock. Die-cuts on flap allow for easy positioning around fasteners. **Divider sheets** come in several options: no fastener, 1 fastener on front of divider, or 2 fasteners on both sides of divider. 8-1/2" w x 11" h (not including flap) – 100 dividers per package.

## original col'r'tab® color code labels

Original Col'RTab® color code labels provide the best value of any label system in the industry. The unique hinged construction allows for consistent and quick application to file folders, pockets, or even pressboard folders. The clear, outside skirt offsets any tendency for the labels to "hook" onto one another when pulled from the shelf. Made with heavy duty paper and fade-resistant inks. Do not settle for inexpensive color matches – realize the value and savings by using only original Col'RTab products!
