exhibit labels

In the office, courtroom, or judges' chambers, **exhibit labels** help eliminate the costly time spent searching for and referencing exhibits. They mark the subject so it can be identified at a glance. **exhibit labels** are color-coded and available in 10 variations, with a blank space for writing exhibit letters or numbers directly on the label. Self-adhesive labels peel off the sheet and can be attached directly to an exhibit or file.
Labels are 1-5/8"w x 1"h.   9 labels per sheet.
Sheet size is 5-1/4"w x 3-1/4"h.

Writable only. This product is not intended to be printed on.

stock no.	description	color	labels/pkg.

custom printed exhibit labels

DESIGN YOUR OWN CUSTOM TITLE

Design your own exhibit labels and have **tabbies** print them for you.
It's as easy as 1, 2, 3. . .

1. Choose your sheet size

2. Pick your background color below (all labels are printed with black ink and black border)

3. Choose your wording or create your own design (up to 4 lines of print).

We'll take care of the rest.

Yellow	Green	Orange	Blue	Red	White

tab size	sheet size	labels/sheet	minimum
1-5/8"w x 1"h	8-1/2"w x 7"h	20	200 Sheets (4,000 labels)
1-5/8"w x 1"h	5-1/4"w x 3-1/4"h	9	500 Sheets (4,500 labels)

exhibit index tabs

Attach self-adhesive tabs to legal exhibits, reports, depositions, briefs or use with **index divider sheets**. Plastic laminated **exhibit index tabs** grip both sides of sheet for a strong, durable tab that won't fall off. Printed for side or bottom indexing. Ten tabs of each letter or number per package.

index divider sheets
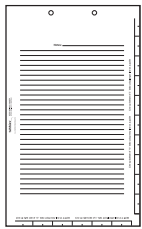

53017 / 58017
53018 / 58018

index divider sheets are an integral part of an effective legal indexing system. **index divider sheets** are made of strong, 110 lb. white index stock and are printed with guidelines for fast, accurate tab aligning. **index divider sheets** are available in both letter (7-hole punched) and legal size (2-hole punched) for top or side fastening in folders or three-ring binders. Both sizes have conveniently ruled areas for notes.

never-jam™ blank copier indexes

***never-jam™* blank copier indexes** are the best choice for making your own indexes. Made from flat stock, not rolls like others, so there is no paper curl to practically eliminate jamming in your copier. Available with or without our unique clear Mylar® coating on the tab area. Fully compatible with many types of copiers (go to **www.tabbies.com** for list), excluding inkjet. Many copiers allow you to produce finished sets with the tabs automatically inserted properly into your project. Each box is shrink-wrapped and the outer carton is crush resistant.

These stock indexes shown here are:
- 90 lb. bright white index stock
- 8-1/2"w x 11"h
- 1/2" tab extension
- No holes punched

sup'r'grip fasteners

Self-adhesive **sup'r'grip fasteners** are an ideal space-saving solution for large files. Long 2" prongs accommodate 2-hole punched material, while the ultra-thin design saves valuable filing space. Fasteners are heat bonded onto pressure-sensitive, 60 lb. manila-colored paper to hold even the bulkiest files without tearing. Printed aligning guides on each strip ensure accurate placement. 4 fasteners per sheet; 25 sheets per box.

stock no.	description	fasteners/box
56805	sup'r'grip fasteners	100

duo-prong fasteners
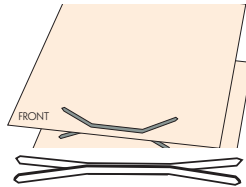

FRONT

duo-prong fasteners are used when fasteners are required on both the front and back of a divider sheet for 2-hole punched documents. Fastener capacity is 1" on one side and 5/8" on the other. Simply insert 1" prongs thru slits in divider sheet, and bend prongs back. No adhesive required.

stock no.	description	fasteners/box
26808	duo-prong fasteners	100

earflap™ fasteners
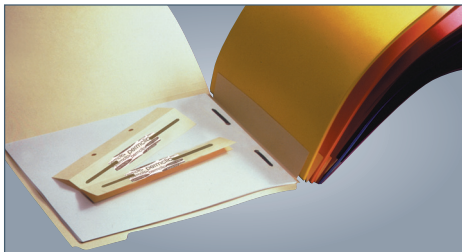

Turn existing file folders into classification folders easily and inexpensively. Section files by date, subject or other criteria that fit your needs.

Slip the punched flap over an existing fastener and close the prongs. Fold flap forward and add filing material to the bonded fastener on top of the manila strip. **earflap fasteners** work with any two-prong fastener in all folder positions.

| stock no.	description	fasteners/box
56809	earflap fasteners	50

foamclip® fasteners

Self-adhesive **foamclip® fasteners** are a perfect choice for organizing any 2-hole punched papers. These fasteners bond permanently to file folders, pressboard, plastic, wood, glass, even metal. With their superior strength, foamclip® fasteners can't be pulled off like other brands! The 2-3/4" center-to-center, 1-1/2" capacity fastener is easy to use; just peel off backing paper and press fastener into place.

stock no.	description	fasteners/box
56807	foamclip fasteners	100

megaclip fasteners
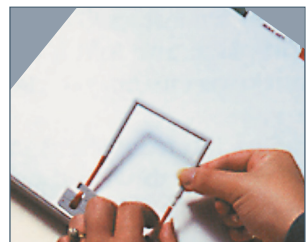

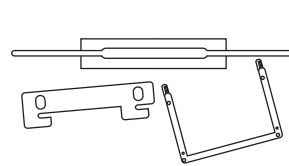

megaclip fasteners are 5" capacity fasteners that allow you to access any part of the file without having to remove the file contents. Make notes, copy or review the pages within the file quickly and easily. For use with 2-hole punched documents. Holes are positioned 2-3/4", center-to-center. Sets consist of self-adhesive bases, compressor bars and u-shaped extensions. Full set availability only.

stock no.	description	fasteners/box
56804	megaclip fasteners	100

factory installed fasteners

permclip® fasteners are heat-bonded for permanent adhesion to the file folder. Permclip® fasteners are factory installed in any position to fit your filing needs. Prongs are 2" in length and 2-3/4" center to center. Please specify fastener position from the position guide at the time of order.

reinforcing strips

2-hole reinforcing strip

Add durability and longevity to your documents with our **2-hole reinforcing strips.** Strips are self-adhesive for easy use. Material is tear resistant and clear so it will not hide printed information.
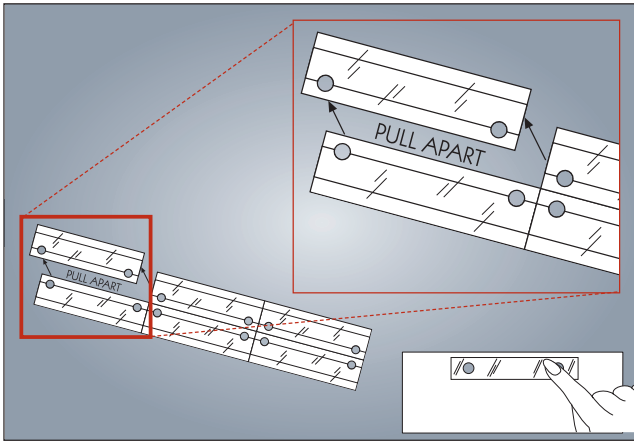

stock no.	description	strips/box
58392	3-1/2" 2-hole punched	500 strips (bulk)

5-hole reinforcing strip

5-hole reinforcing strips are made of tear resistant material, pre-punched and ready to use. Clear strips will not hide printed information. The **5-hole reinforcing strips** can be used in one of three ways:

1) **REINFORCE PUNCHED ITEMS**

2) **EXTEND ITEMS THAT CANNOT BE PUNCHED**

3) **CONVERT SINGLE SHEETS INTO BOOKLET FORM**

digi-strip®
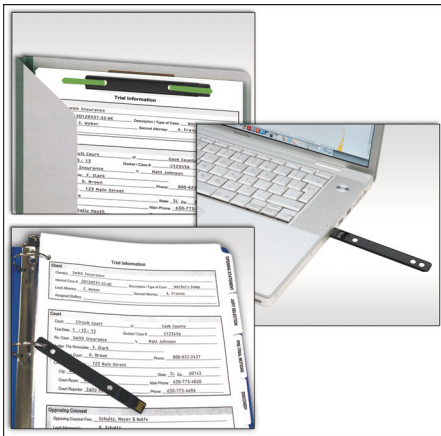

The **digi-strip** flash drive allows you to store digital documents with hard-copy documents in the same file folder or 3-ring binder. The **digi-strip** is a flexible attachment mechanism with a USB storage device (4 GB) that is integrated into the plastic cover plate. Works as a compressor for 2-hole punched documents fastened within a file folder or can be easily stored and secured on the middle ring of a 3-ring binder.

name label protectors

END TAB

name label protectors eliminate dirty, worn, dog-eared file folders and file folder labels. Clear, wrap-around, self-adhesive protectors keep file folders and labels clean and prevent them from falling off, extending the life of the folder. Name label protectors can also be used "flat" to attach miscellaneous materials to any surface.

TOP TAB

full end tab protectors

end tab protectors are an ideal solution for extending the life of shelf file folders. Clear protectors wrap around folder end tabs, preventing labels from cracking or popping off, and protect against wear and tear. Self-adhesive, 8" x 2" protectors can be easily applied to all types of end tab file folders to keep them looking neat and clean longer.

68386	8"h x 2"w	100

spine edge protectors

edge protectors keep heavily used file folders looking good longer by protecting edges from cracking or splitting. The 11" x 2" clear, wrap-around protector is easily applied to the bottom edge of a file folder, where the most wear and tear occurs as the folder is moved in and out of shelf file cabinets.
