file folder fasteners

Self-adhesive **foamclip® fasteners** are a perfect choice for organizing any 2-hole punched papers. These fasteners bond permanently to file folders, pressboard, plastic, wood, glass, even metal. With their superior strength, **foamclip® fasteners** can't be pulled off like other brands! The 2-3/4" center-to-center, 1-1/2" capacity fastener is easy to use; just peel off backing paper and press fastener into place.

26808	duo-prong fasteners	100

Self-adhesive **sup'r'grip fasteners** are an ideal space-saving solution for large files. Long 2" prongs accommodate 2-hole punched material, while the ultra-thin design saves valuable filing space. Fasteners are heat bonded onto pressure-sensitive, 60 lb. manila-colored paper to hold even the bulkiest files without tearing. Printed aligning guides on each strip ensure accurate placement. 4 fasteners per sheet; 25 sheets per box.

laser/inkjet label sheets

Multi-use **laser/inkjet label sheets** are useful for mailings, announcements, getting organized, tracking or recalling documents in legal proceedings and more. Labels are easy to apply for convenient, personalized labels anytime. Sheets are shrink-wrapped in packages and are fully compatible with both laser and inkjet printers. Labels feed automatically from paper tray and are centered on sheets so they can be fed using either the top or bottom as the lead edge. See your printer manual for additional feeding instructions.
