## file folder fasteners

Self-adhesive **foamclip® fasteners** are a perfect choice for organizing any 2-hole punched papers. These fasteners bond permanently to file folders, pressboard, plastic, wood, glass, even metal. With their superior strength, **foamclip® fasteners** can't be pulled off like other brands! The 2-3/4" center-to-center, 1-1/2" capacity fastener is easy to use; just peel off backing paper and press fastener into place.

stock no.	description	fasteners/box
56807	foamclip fasteners	100

**duo-prong fasteners** are used when fasteners are required on both the front and back of a divider sheet for 2-hole punched documents. Fastener capacity is 1" on one side and 5/8" on the other. Simply insert 1" prongs thru slits in divider sheet, and bend prongs back. No adhesive required.

26808	duo-prong fasteners	100

Self-adhesive **sup'r'grip fasteners** are an ideal space-saving solution for large files. Long 2" prongs accommodate 2-hole punched material, while the ultra-thin design saves valuable filing space. Fasteners are heat bonded onto pressure-sensitive, 60 lb. manila-colored paper to hold even the bulkiest files without tearing. Printed aligning guides on each strip ensure accurate placement. 4 fasteners per sheet; 25 sheets per box.

## lock-it pockets

Peel off self-adhesive 5 mil **lock-it pocket**. Permanently apply to your folders or wherever it is most convenient. Durable, clear polyethylene ziplock style secures small documents, including photos, diskettes, CD's, x-rays and much more. Clear front keeps important information at full view without opening the pocket.

## file folder label protectors

End Tab

**file folder label protectors** eliminate dirty, worn, dog-eared file folders and file folder labels. Clear, wrap-around, self-adhesive protectors keep file folders and labels clean and prevent them from falling off, extending the life of the folder. Name label protectors can also be used "flat" to attach miscellaneous materials to any surface.

## full end tab protectors

**end tab protectors** are an ideal solution for extending the life of shelf file folders. Clear protectors wrap around folder end tabs, preventing labels from cracking or popping off, and protect against wear and tear. Self-adhesive, 8" x 2" protectors can be easily applied to all types of end tab file folders to keep them looking neat and clean longer.

## laser/inkjet label sheets

Multi-use **laser/inkjet label sheets** are useful for mailings, announcements, getting organized, tracking or recalling documents in legal proceedings and more. Labels are easy to apply for convenient, personalized labels anytime. Sheets are shrink-wrapped in packages and are fully compatible with both laser and inkjet printers. Labels feed automatically from paper tray and are centered on sheets so they can be fed using either the top or bottom as the lead edge. See your printer manual for additional feeding instructions.
